

Networked Learning Going Deeper

May 16 & May 17 2010

A seminar hosted by the Network of
Performance Based Schools, the
Aboriginal Enhancement Schools Network
and the Healthy Schools Network

Delta Vancouver Airport Hotel
3500 Cessna Drive
Richmond

Come prepared to:

Engage in powerful ideas related to learners owning
their own learning
Learn from schools across BC
Consider the role of indigenous wisdom and
imagination in deepening student learning
Reflect on the ways you are making healthy living a
natural part of learners' experience

Seminar team and presenters include:

Faye Brownlie – author of *It's All About Thinking*

Professor Kieran Egan – Simon Fraser University.
Imaginative Education Research Group

Professor Alma Harris – Director, London Centre for
Leadership in Learning

Dr. Lorna Williams – Canadian Research Chair of
Indigenous Studies University of Victoria

Michelle Jones – Welsh National Assembly
Networked Schools Strategy

Dr. Judy Halbert & Dr. Linda Kaser, Directors of the
Network of Performance Based Schools

Inquiry leadership teams from BC schools
